## FEATURES LIST 2022

he magazine includes regular profiles on outstanding outlets and individuals, and dedicated sections to all aspects of the sandwich and food to go business, as well as pages devoted to new product developments. British Sandwich & Food to Go Association activities are covered comprehensively, together with industry news and trade activity.

It is also a 'must' read for those needing to keep up with legislation connected with all aspects of the industry. International Sandwich & Food to Go News reflects the increasing popularity of sandwiches around the globe.

The magazine is also available online by visiting www.sandwichandfoodtogonews.co.uk
